

DISCIPLE DISPLAY

WHAT IS A “DISCIPLESHIP DISPLAY”?

A discipleship display is a creative digital display that every Year 2 candidate will make as part of their Confirmation journey. This display will highlight the area of discipleship (service) that they were involved in during their Confirmation preparation (*see the Confirmation packet for details on discipleship*).

HOW SHOULD I MAKE IT?

In the past Confirmation Candidates have made these displays using poster boards. However, with increasing numbers and ever-changing technology this year we are excited to present their displays **digitally** instead. Below is a link to some of last year’s displays. This year we are using Prezi Presentation Software to make the displays more interactive and fun!

WHAT SHOULD I INCLUDE AS PART OF THE DISPLAY?

Be as creative as you like! Use pictures you have taken during your area of service, logos of the organization you served with etc. Include some brief descriptions of why/where/when/how you contributed. And most importantly, include your FULL NAME.

How to create a Prezi Presentation?

WHAT IS THE “DISCIPLESHIP DISPLAY”?

The Discipleship Display Weekend is held on Sunday Feb 9th and is an opportunity for those attending Sunday Mass times to stop by the Parish Hall and see all of the wonderful displays created by the Confirmation Candidates. This is an opportunity for the whole parish to witness all of the hard work, dedication and selfless acts of service the young people of our church have been involved in.

While there are **NO CLASSES THAT WEEKEND**, candidates and their families are invited to stop by the Parish Hall after Mass to see all of the displays from their fellow Confirmation candidates.
