

One of the ways I have been able to serve through my faith is through Lions Heart. In this program I am able to make arts and crafts for people less fortunate and also giving back to my community

Through Salvation Army, I help people load up unneeded items to haul over to Salvation Army locations so they can donate it

Catholic School teaching is being taught through my discipleship as it has taught me areas where I can improve and be a better person. It has also taught me to give back to the people who have been given a less abundance of opportunities in life

In the Feed America Program, I was able to serve by helping them package food to shelters who needed our help

Through the Shelter Insurance program, I was able to help unload trucks full of supplies for the homeless people staying in the shelter
