Walking With Moms

For my service project, I donated to and volunteered with the Life Center of Santa Ana. They are a pregnancy resource center for any mom in need. Along with a few friends, I collected toddler clothing and went in to donate it to the Center. I have since then been back to help babysit young children while their parents are in support groups, organize donations, and help in any way that I can.

This project helped me learn more about the Catholic belief of respecting all stages of human life, from conception until natural death. I am extremely prolife, so this allowed to become involved in a cause that I am passionate about. We are all uniquely made in the image of God, and it is a privilege to share that love with the world.

Life and Dignity of the Human Person

“Before I formed you in the womb,
I knew you. Before you were born,
I set you apart.”

-Jeremiah 1:5
