Second Harvest Food Bank

- I went to second Harvest Food Bank a few months ago located in Irvine with my class.
- While we were there, we sorted all different kinds of foods into bins.
- At Second Harvest they take donations of food and then give it to those who are in need.
- The Catholic Social teaching displayed here is option for the poor and vulnerable.
- At the Last Judgement God will judge us on how we treated others and if we put the needs of the poor and vulnerable before our own.

Cheer Service

- I have participated in many various cheer service opportunities.
- One of the things I have done with cheer is junior eagles. Junior eagles is when a bunch of little girls come and cheer at a football game on the sideline with us. I love getting to help the younger girls learn more about cheer and share my love for it with them.
- Another service opportunity cheer gives me is the freshman welcome night where I get to welcome incoming freshman to school and share my school spirit with them. While helping them get to know our campus.
- The Catholic Social Teaching displayed here is life and dignity of the human person.

Solano Saints

- I do not have any pictures of when I participated in Solano Saints.
 - Solano Saints was at San Francisco Solano church every Sunday during the 10:00 mass.
 - Solano Saints was for ages 3 and under to play games, do crafts and learn about Jesus while their parents were at mass.
 - I loved getting to help with all the kids and teaching them about God. I got to lead them in God's image and I had so much fun doing it.
 - The Catholic Social Teaching displayed here is care for God's creation.
 - It says we are called to care and love for everything God made including people. By helping with Solano Saints, I was caring for my brother and sisters that God created.

School Service

- I am apart of student ambassadors at school, and there are many service opportunities that come along with it.
 - For example, last week there was a freshman scheduling night. At this event I gave out popcorn to students. The Catholic Social Teaching displayed here is life and dignity of the human person. I checked people in, and gave tours around campus.
 - It was a great way to get more involved in school and help the incoming freshman get familiar with SM.
 - The Catholic Social Teaching displayed here is also care for God's creation because I was caring for others and helping new students.
