Second Harvest Food Bank of OC

Second Harvest is committed to fighting hunger by providing and distributing food to those in need and feeding hope by recognizing the diversity of those we serve and treating each individual with dignity and respect.

Second Harvest Orange County is located at: 8014 Marine Way, Irvine, CA 92618. Although there are many other locations across the country as well as different food bank organizations all around the world. No matter where you serve it all goes to the same goal at helping feed those in need.

My Service

I served at Second Harvest Food Bank through my school, SMCHS.

My class took a field trip in September of 2022 and we helped pack over 50,000lbs of food for those in need. Although I served with my school, anyone can help serve by signing up at the Second Harvest website <https://feedoc.org/>. I represented a Catholic Social Teaching by helping those in need and looking out for the life and dignity of human beings.

Holy Trinity Vacation Bible School

I have been going to Holy Trinity VBS ever since I was in kindergarten. Vacation Bible School helped shape my faith as a child and now I have the opportunity to share those memories and ideas by volunteering. Although I have volunteered as a leader several times, the last summer I was a leader at the Monumental VBS.
