SCHS Lacrosse: Over my journey as a year 2 confirmation student I have volunteered for youth lacrosse programs. I have helped many kids get introduced to the game and taught them how to play. This shows call to family,community, and participation. Because I have gave back to the lacrosse community.

Lions Heart: I have volunteered for the lions heart program and donated for them. I have donated,clothes,food, and blankets to give to homeless people in need. I have also worked to feed the homeless. Also beach cleanups. This also shows call to family,community and participation because I am giving back to my community.
