PURPOSE

Most assignments are submitted digitally through JotForm. Links will be set out through update emails. Sponsor Form must be submitted as a paper copy.

SAINT REFLECTION:

Due November 30th

Candidate must prayerfully choose a Saint to act as a guide and role model on their faith journey throughout their life and write a one-page reflection paper about the Saint and why he or she was chosen. Instructions for the paper will be given in the Overview Packet at the first Confirmation Session.

SPONSOR FORM:

Due December 13th

Candidate must choose an eligible sponsor and ask them to complete and submit the Sponsor Affirmation Form no later than this date to the parish office. Please note that the sponsor is responsible to take the form to their registered parish to have the pastor sign a verification of the information written and receive the church seal, so please allow extra time for this step. Any incomplete forms cannot be accepted.

1ST DISCIPLESHIP PROJECT REFLECTION:

Due March 21st

Candidate must complete two service projects over the two years of Confirmation that demonstrate the mercy of Christ to those in need. One project should be in service to the community here at Holy Trinity (or another local Catholic Parish) and the other should serve those who are in need in the broader community. The projects should serve a specific need and can be completed with a group or individually. Instructions for the projects will be given in the Overview Packet at the first Confirmation Session.
