## PURPOSE

Most assignments are submitted digitally through JotForm. Links will be set out through update emails. Bishop Letter may require multiple draft submissions.

### DISCIPLESHIP PROJECT REFLECTION:

## Due January 31st

Candidate must complete two service projects over the two years of Confirmation that demonstrate the mercy of Christ to those in need. One project should be in service to the community here at Holy Trinity (or another local Catholic Parish) and the other should serve those who are in need in the broader community. The projects should serve a specific need and can be completed with a group or individually. Instructions for the projects will be given in the Overview Packet at the first Confirmation Session.

### BISHOP LETTER 1ST DRAFT:

## Due March 1st

Candidates who wish to be confirmed and have completed all requirements must submit a typed letter to the Bishop of Orange. Instructions will be given in the Overview Packet at the first Confirmation Session. A first draft must be submitted digitally for review (with editing permission granted) by this date.

### BISHOP LETTER 2ND DRAFT:

## Due March 7th

Candidate is responsible for making as many rounds of edits as needed for the letter to meet the standards in the instructions - this includes appropriate length, grammar, formatting, and content. All Bishop Letter drafts will be reviewed and comments left in the document approximately 1-2 days after each edited version is submitted.

### BISHOP LETTER FINAL DRAFT:

## Due March 13th

Candidate is responsible for ensuring they have an approved final draft letter by the date above. Letters that do not meet the requirements by the final draft due date will not be submitted to the Bishop, which would affect the Candidates eligibility for Confirmation.

### BISHOP LETTER SIGNATURE:

## Due March 14th

Candidate must hand-sign a printed final copy in person on or prior to this class date. The office will print the final draft letters to ensure only approved final drafts are signed.
